

Installation - Timber decking

Contributed by World of Timber
Last Updated Sunday, 26 August 2007

Timber decking supplied and installed by World of Timber's experienced tradespeople.

- High Quality Australian hardwoods prepared, laid, and finished for a beautiful, durable, long lasting 'outdoor' solution.
- Ecologically sound. Timbers sourced from sustainably managed forests.
- Seasoned hardwood decking timber graded to Australian standard (2796 on the face)
